

Outline programme

Monday 3rd of July

Time table	Topic	Speaker
10.00-12.30	General registration + Coffee + Ice breaker	
12.30-13.30	COST management committee meeting with lunch	
12.30-13.30	Lunch	
13.30-13.45	Opening address	
13.30-13.45	Opening addresses and introduction to the conference	Oswaldo Morales, Simon French and Tina Nane
13.45-15.00	The state of the art in Structured Expert Judgment I	
13.45-14.30	Valuing and evaluating expertise: judgment, policy and business	Tim Bedford
14.30-15.00	The competition and the opportunity: an overview of expert elicitation methods and applications for the last few years	Tom Mazzuchi
15.00-15.30	Coffee break	
15.30-17.30	The state of the art in Structured Expert Judgment II	
15.30-16.00	Structured expert judgment with the Classical Model – experiences of an NBD facilitator	Willy Aspinall
16.00-16.30	Expert judgment: probabilities, parameters and MODELS!	Simon French
16.30-17.00	Expert judgment and adversarial problems	David Rios
17:00-17:30	Decisions with partially and imprecisely specified judgments	Malcolm Farrow
18.30-20.00	Reception	

Tuesday 4th of July

Time table	Topic	Speaker
09.00-10.30	Dependence modelling	
09.00-09.30	Specification of uncertainty distributions for multinomial models with expert judgements: a vine copulas approach	Kevin Wilson
09.30-10.00	Bayesian modelling of dependence between experts	David Hartley
10.00-10.30	The sequential conditioning method: Addressing under- and overspecification of detailed expert judgment for probabilities dependence modelling	Christoph Werner
10.30-11.00	Coffee break and Poster session I	
11.00-12.30	Applications I	
11.00-11.30	The use of expert judgment in terrorism risk assessment	Gordon Woo
11.30-12.00	Guidelines for better science advice: Examples from applications in natural hazard assessments	Annemarie Christophersen
12.00-12.30	Risk assessment of an offshore recovery operation	Arno Willems
12.30-13.30	Lunch	
13.30-15.15	Processes and guidelines	
13.30-14.15	Customising a graph to support structural elicitation	Jim Smith
14.15-14.45	Classical meets modern in the IDEA protocol: what could go wrong?	Anca Hanea
14.45-15.15	Who to trust? Assessing and improving expert judgment with conservation	Victoria Hemming
15.15-15.45	Coffee break and Poster session II	
15.45-17.45	The Classical Model: Theory, Validity, Extensions	
15.45-16.00	Classical Model Collage	Max Mendel, Ben Ale, Willy Aspinall, Simon French, Gordon Woo
16.00-16.30	Validating expert judgments and the Classical Model	Abby Colson
16:30-17:00	Measuring experts' performance in assessing dependence: experiences and open questions	Oswaldo Morales Napoles
17:00-17:30	The squizzle and its friends	John Paul Gosling
17:30-17:45	Summing up	Roger Cooke
19.00-22.30	Conference dinner Reflections on Roger Cooke's contribution to the use of structured expert judgments	

Wednesday 5th of July

Time table	Topic	Speaker
09.00 -10.30	Modeller viewpoints I	
09.00-09.30	Three-point lifetime distribution elicitation for maintenance optimization in a Bayesian context	René van Dorp
09.30-10.00	Finding common ground when experts disagree: belief dominance over portfolios of alternatives	Ahti Salo
10.00-10.30	The living room of science: do we need questionable research practices to survive in academia?	Rens van de Schoot
10.30-11.00	Coffee break	
11.00-12.30	Applications II	
11.00-11.30	The use of expert judgments in quantifying uncertainties in risk assessment of food and feed safety – experiences and lessons learnt from the implementation of EFSA's Expert Knowledge Elicitation Guidance	Olaf Mosbach-Schulz and Andy Hart
11.30-12.00	Quantifying uncertainty about future antimicrobial resistance with structured expert judgment	Abby Colson
12.00-12.30	Source attribution of food- and waterborne pathogens in the United States using structured expert judgement	Elizabeth Beshearse
12.30-13.30	Lunch	
13.30-14.30	Modeller viewpoints II	
13.30-14.00	The case of 10^{-6} and other alternative opinions	Ben Ale
14.00-14.30	Dependency elicitation using expert judgment	Victory Idowu
14.30-15.30	The achievements of the COST action and next steps	
14.30-15.00		WG leaders
15.00-15.30		WG leaders
15.30-16.00	Conference close and coffee
